## Proceedings

We are pleased to inform you that we have agreed with **Astronomische Nachrichten** for publication of the proceedings of the IWARA2020 meeting. The deadline for submitting contributions is December 1, 2020. We emphasize that contributions to the proceedings must follow the standards established by the journal (please see the [journal guidelines](#)).

We have defined the following number of pages for the contributions to the proceedings of IWARA2020: 6 pages for 20/30 minutes oral talks; 5 pages for 15 minutes oral talks; 4 pages for poster contributions.

As usual, a body of referees will evaluate the submitted articles. In order to avoid accumulation of submissions and delay in the publication of the proceedings,

participants are encouraged to anticipate submitting their contribution, i.e. do not submit it, as far as possible at a date too close to the deadline.

Please submit your contribution to Prof. Cesar Zen (cesarzen@cesarzen.com or cesaraugustozenvasconcellos@gmail.com). Please, do not submit your contribution directly to AN
